UNITED STATES DEPARTMENT OF AGRICULTURE
Agricultural Adjustment Administration
Washington, D. C.

August 30, 1940

To all Administrative Officers and State Committeemen,
Agricultural Adjustment Administration,
Southern Region:

Re: 1939 Audit Report No. III

The instructions contained in item C of 1939 Cotton Marketing Quota Letter No. 19 are modified to the extent that the supplementary reports to be submitted as of the end of each month in connection with 1939 Audit Report No. III are discontinued.

The supplementary reports will be replaced by a final 1939 Audit Report No. III which will be prepared to reflect the status of cotton marketing quota accounts as of January 31, 1941. The final report must be submitted to this Division not later than February 20, 1941.

In view of the fact that the supplementary reports have been discontinued, the county offices may be instructed to discontinue the submission of supplementary forms Cotton 363 in connection with collections for the 1939-1940 marketing year which are accomplished subsequent to July 31, 1940. The monthly reports on forms Cotton 363 will be replaced by a report on form Cotton 363 prepared as of January 31, 1941. The last-mentioned report on form Cotton 363 must be submitted to the State office by the county offices in time to permit the State office to prepare the final audit report referred to above.

Very truly yours,

I. W. Duggan
I. W. Duggan,
Director, Southern Division.
